Dear Friends,

We have seen people unite time and time again in troubling seasons. I believe we are at our best in times of need, and when we ask the simple question, “What can I do?”

We’ve witnessed people giving their time and energy to causes, driven and inspired to do more and to give back. In 2017-18 your gifts were the answer to many prayers worldwide. The prayer of the mother desperate to provide for her family after she lost her husband, the prayer of the child in need of someone to help support his/her education, the prayer of the homeless and hungry, and those without clean water. Your simple act of changing how you gift, became HOPE for someone in need.

I want to thank you for your compassion and action to help people in need. As you review the different gifts you’ve made possible in 17-18 (see page 5), know that collectively we’ve done our best to ensure that your support, whether of money, or of time and talents, has helped in numerous ways. Thank you for changing the world through your gifts.

I look forward to working with you all in the coming year.

Sincerely,

Surinder Moore
Executive Director
