ABOUT AGI

Alternative Gifts International (AGI) is a Kansas-based non-profit organization which **inspires support for humanitarian and environmental causes**. For 34 years, we have changed the world by offering a new and more meaningful way for people to gift.

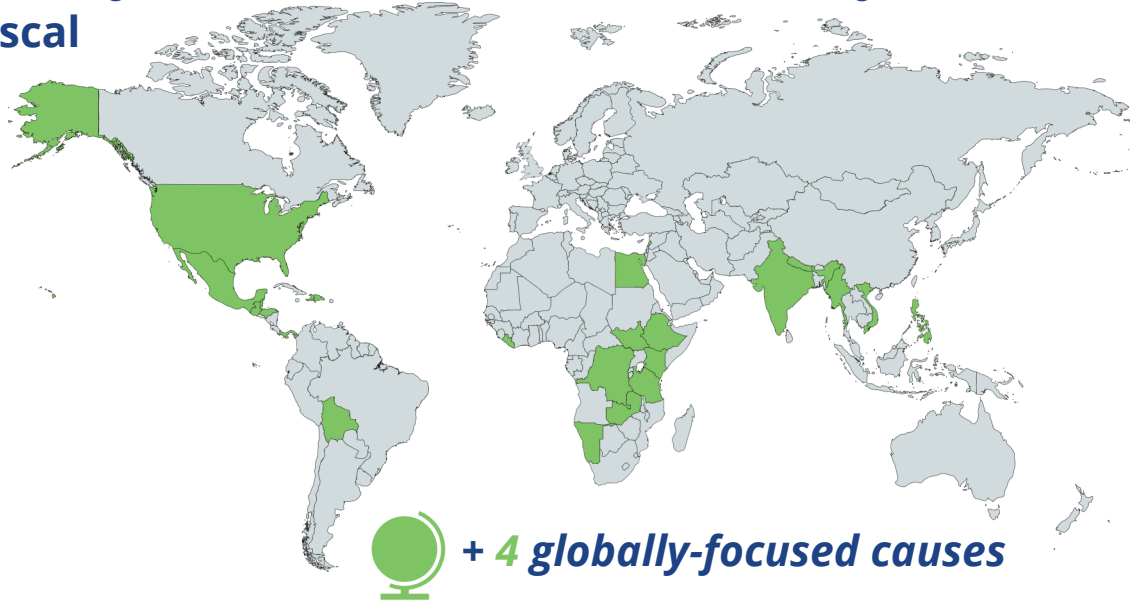

The gifts ordered in the “Gifts Inspiring Change” catalog are unique and life-giving. They are gifts of peace and justice, gifts that are sustainable and that build stability for those suffering. These gifts are centered around the United Nations’ **Sustainable Development Goals**, which serve as a blueprint to address many complex global issues by 2030.

A water well gifted to a family in South Sudan, a book to a child in Ethiopia, a gift of freedom to those trapped in slavery — these gifts challenge the trivia of our modern culture of consumerism. **These are authentic gifts that change lives.** They are always the perfect gift for every occasion!
