Champions for Change

A Gift Market for Kids!

Helping My Friends Around the World
Champions for Change Gift Market Guide

Who/What is a Champion for Change? Anyone can be a Champion for Change - if you see a problem in the world, and want to do something about it, you too can be a Champion for Change! By hosting a Champion for Change Gift Market you can fundraise for any cause(s) featured in our Gifts Inspiring Change catalog, you become a Champion for Change!

What is a Champion for Change Gift Market? It’s a great opportunity for kids to learn about global issues and compassion for others. It also helps engage them in a unique way when they take action to help others in need. A class or youth group (scouts, kids clubs etc.) can easily create a fundraising page through our website (www.alternativegifts.org) or plan a Gifts Market using the materials on our Market Resources page (https://alternativegifts.org/giving/gift-markets/market-resources-page) to help others around the world. Parents, teachers and friends can buy alternative gifts through this gift market or online fundraiser page and support the child(rens) goals to raise money for a cause.

What do I need for my Champion for Change gift market? All you need is a table or space at your location (a hall area) to set up a display similar to a booth at a gift market event, but representing causes from the Champions for Change Gift Market Pages. Display catalogs, and the kids page order form and posters included with your market resource packet. Your display should be attractive to entice shoppers to support the causes at your Champions for Change Gift Market. Encourage kids to complete the quizzes and read the passages from this packet. You’d be surprised how much they can learn! You can also help them set up an online fundraiser page here: https://alternativegifts.org/giving/crowdfunding - We can help you get started too, so let us know! Call 800.842.2243 for help.

Who does a shopper pay? Shoppers should make checks payable to the group/organization hosting the market and one final market check payable to AGI should be mailed to: AGI, P.O. Box 3810, Wichita KS 67201, along with your Champions for Change Gift Market Order forms - (include the name of the hosting organization in the memo line of the check). If gift orders are being made through our website (or a fundraiser page you’ve created) then the transactions are by credit or debit card.

What should I display at a Champions for Change Gift Market booth table? See image example below:
- Posters (order from AGI) - these include tips for Sunday School/VBS
- Any objects or facts that align with the cause
- Order Forms & Greeting Cards / Gift inserts and ornaments (made by kids!)

What do I need for an online crowdfund market? Your organization or group can also create a crowdfund to support any of the Champions for Change Gift Market featured projects. Visit Alternative Gifts International’s website https://alternativegifts.org/giving/crowdfunding to get started or call us for information or assistance setting it up.

When should my Champions for Change Gift Market be? Although markets are popular through the holidays season, you can host a market any time you want to. An online fundraiser (or crowdfund) can be hosted at any time). Our new causes are featured each July 1st and run through June 30th each year.
